PROFILE

A dedicated professional with 21 years teaching experience as both a studio and classroom teacher. Proven track record of working effectively with production, students, and parents to create and maintain success both in and out of the classroom. Specializes in online teaching and incorporating technology into the classroom. Exemplary track record working closely with students' online programs and fellow educators/administrators to ensure the on set education supports distance learning and/or school based education.

EXPERIENCE (2004-2020): LEAD TEACHER

Disney "Raven's Home" (currently working)
Nickelodeon "All That" (Season 11)
